Director’s Notes

It’s nearly Christmas, while Dr David Mortimore rehearses his speech for the Ponsonby Lecture and the rest of the hospital gets ready for the annual pantomime, they are unaware that Dr Mortimore’s past is about to catch up with him and send the hospital into chaos.

Our production is set in the 1980s – a time before ‘hospital managers’ when Matron ruled the wards, Wham’s last Christmas is on the radio and the Natwest Tower was the tallest building on the London skyline.

Some of you may remember that this is the second time The Village Players has produced ‘It Runs in the Family.’ We hope you will enjoy the revival, which features many familiar faces as well as introducing two new talents - Joe Rofe and Holly Christian.

The Angie Trew award

Each year at the AGM in October, the Angie Trew Award for “The Most Deserving Actor” is presented to the person who has given an outstanding performance in the preceding 12 months. It doesn’t have to be a leading role, but something that has most impressed, amused or entertained our audiences. We have a panel of three regular audience members who make the decision for the Most Deserving Actor and the winner for 2024-2025 was Kim Twinn who, as a newcomer to the group last year, had taken on two major roles brilliantly in both The Late Mrs Early and Plaza Suite.

The Village Players also value our wonderful production teams and the Committee nominate the person who has given “The Most Valuable Input” into productions and the award went to Jonathan Austin for his continued work on Sound, the set, getting ready for and clearing away from rehearsals which he takes on regularly, as well as managing the ticketing so skilfully..

Both awards were presented at the AGM.

Forthcoming events

Our next production will be on **13th to 16th May 2026**. We are currently reviewing a number of scripts and hope to select one shortly. In the meantime, please make a note of the dates!

The Village Players wish to thank everyone who has generously assisted with this production with special thanks to:
