

KING That's right.

QUEEN Thank you dear Archie.

KING As you all -

QUEEN - as you all know, we have worked tirelessly over the years to keep our darling daughter out of harms way.

KING Yes, and we -

QUEEN - and we appreciate the enormous sacrifice you have all made in order to make that possible.

KING I expect -

QUEEN - I expect many of you are grateful that the time is soon at hand, where we will no longer need to have such strict rules in place surrounding spinning wheels.

(Some recognition from the PARTY GUESTS)

KING So without -

QUEEN - So without further ado, please join us in welcoming our guests of honour who will bestow Aurora with some special gifts in celebration of her twenty first year.

MUSIC PLAY ON

(FAIRY STARLIGHT, FAIRY MOONBEAM and FAIRY DUST enter with magical effect.)

STARLIGHT My gift is a blade that through anything cuts.
So be careful my dear, do try not to go nuts!
This sword is a powerful weapon indeed,
Which I give you to help you in times of great need.

(FAIRY STARLIGHT pulls the sword from it's sheath and presents it to PRINCESS AURORA. PALACE OFFICIALs fit the sword's belt around PRINCESS AURORA's waist and she replaces the sword within it. FAIRY MOONBEAM steps forward.)

MOONBEAM My gift is a crown that I wore in my youth.
It forces the wearer to always tell truth.
Lies cannot form, falsehoods never uttered,
All thoughts of fake news or half truths will be shattered.

(FAIRY MOONBEAM presents the Tiara of Truth, and places it upon PRINCESS AURORA's head. FAIRY STARLIGHT and FAIRY MOONBEAM turn to face FAIRY DUST. She is, for once, ready.)

DUST My gift, unlike those, cannot be reused.
It's a potion that causes the drinker to snooze.
Choose wisely my dear about when you will use it.
For once it is drunk, no returns, you will lose it.

(FAIRY DUST presents a delicate bottle with a cork stopper filled with magical glittery liquid. PRINCESS AURORA takes it and stares at it mesmerised before attaching it to her sword belt.)
